

Doblhoff aka MDgroove

dj/musician – producer & connecting people

max doblhoff was born in 1975 and already became interested in music at the age of 5 while he was beating his self made drums.

playing in different bands & collecting tons of records from the past and present , gave him once also the motivation to select & play this recordcollection live for the dancefloor.

Since 1993 he has performed as dj and percussionist - mdgroove both at many clubnights & shows in austria and internationally.

In order to work together with different artists he started **CLUBCRUISE** in 1999, a **CLUB ON THE MOVE** which creates the ideal platform for various music projects all over the world.

music styles:

a selection of:

electronic grooves – funk / soul –deep disco - afro/brazilhouse - funky breaks – to minimal & tech house

... jamming with musicians & electronic beats makes the crowd going crazy on the dancefloor ...!!
